

ECSR Online Conference Programme

October 7-8, 2021

October 7, 2021

9.00-9.45

Welcome address

9.45-11.15

Session 1.1

Education and stratification

Mar C. Espadafor

Not brought up for school success? A compensatory tale on the gender reversal in educational outcomes

Diederik Boertien, Francisco Perales, Léa Pessin

Sexual orientation and intergenerational educational mobility: A cross-national comparative analysis in four countries

Rebecca Ye, Margarita Chudnovskaya, Erik Nylander

Right competence at the right time, but for whom? Social recruitment of participants in an expanding higher vocational education segment in Sweden (2005-2019)

Emanuele Fedeli, Moris Triventi

The classroom as a sorting machine: The effect of student rank on educational outcomes

Session 1.2

Prenatal conditions, parental responses and later life outcomes

Marco Cozzani, Juho Härkönen, Jani Erola, Matti Lindberg

Salient and latent endowments at birth, educational outcomes, and parental compensatory responses

Alicia García Sierra

Heterogeneous Parental Responses to Early Health Disadvantages

Alice Goisis, Jenny Chanfreau, George Ploubidis

Only children and cognitive development in childhood: a cross-cohort analysis over 50 years in the U.K.

Yekaterina Chzhen

Pregnancy intention and child development in Ireland: role of family socio-economic status

Session 1.3

Health and well-being effects of labor market inequalities

Jonas Voßemer, Anna Baranowska-Rataj

Growing educational inequalities in subjective wellbeing across the life course: The role of differential risks and consequences of couples' unemployment

Björn Högberg, Anna Baranowska-Rataj, Laura Bernardi

Parental unemployment and adolescent wellbeing – comparative evidence from 32 European countries

Sonja Scheuring, Michael Gebel

Longer-term dynamics of the effects of fixed-term employment trajectories after the transition from school to work on subjective well-being in Germany

Katharina Dengler, Karolin Hiesinger, Anita Tisch

Digital transformation: What role does computer use play for the health of employees?

Session 1.4

Labor market returns to higher education

Nils Witte, Nico Stawarz, Nicolai Netz

International school-to-work transitions: The payoff to graduates' international labour mobility and its social inequality implications

Thijs Bol, Annabell Daniel, Jan Paul Heisig, Martin Neugebauer

What do educational degrees really signal to employers? A factorial survey experiment on sheepskin effects

Martina Kroher, Kathrin Leuze

Degree differentiation and returns to higher education: Does the bologna process promote the reproduction of social inequalities in Germany?

Petra Sauer, Philippe Van Kerm, Daniele Checchi

Higher education expansion and its implications for labour income inequality in high-income countries

Session 1.5

Ethnic inequalities in education

Raffaele Guetto, Francesca Zanasi, Maria Carella

Non-intact families and children's educational outcomes: comparing native and migrant students

Stefanie Sprong, Jan Skopek

Does the “migrant gap” find its roots in the period before formal schooling? The development of migration-related gaps in language achievement before and during primary school: Longitudinal evidence from children growing up in Ireland

Carlos Palomo Lario

Country characteristics that moderate secondary effects of an immigrant background on university expectations

Eleonora Vlach, Loris Vergolini

Children of immigrants and academic effort: Evidence from PISA log files in 26 European countries

Session 1.6

Political Participation and Socialization

Leo Azzollini

The scar effects of unemployment on electoral participation: Withdrawal and mobilisation across European societies

Sergio Galaz-García

The impact of historical events on politicization: Quantitative comparative evidence from Western Europe, 1973-2002

Giuseppe Ciccolini

The intergenerational class foundations of radical right support

Vardan Barsegyan, Antonie Knigge, Ineke Maas

Causal or spurious effect of education, occupational status, and income on political participation? Evidence from identical twins

11.30-13.00

Session 2.1

Educational expansion and higher education

Guido Salza, Moris Triventi

A novel examination of trends in vertical and horizontal inequalities in higher education: A large scale cross-national analysis

Luis Ortiz-Gervasi

Secondary effects of social origin on the transition from bachelor to master degree: An analysis of three Spanish Autonomous Communities

Anna Marczuk, Markus Lörz

The poor get poorer...? The effect of the Corona pandemic on international students in Germany

Tomáš Katrňák, Barbora Hubatková

Transitional inequality offset: Educational expansion and inequality of educational opportunity in European countries

Session 2.2

Geography and education

Kars van Oosterhout, Jessie Bakens, Frank Cörvers

Distance costs and university choice: What is the impact of a student aid reform?

Risto Conte Keivabu

Spatial and temporal disparities in air pollution exposure at Italian public schools

Selcan Mutgan, Eduardo Tapia

A systematic evaluation of school closures as a desegregation measure

Rob J. Gruijters, Lolita Winnaar, Vijay Reddy

School (de)segregation in post-apartheid South Africa

Session 2.3

Child and adolescent health

Yael Navon, Liora Bowers, Carmel Blank, Dana Vaknin, Yossi Shavit

Parental stress and young children's screen-time

Carlijn Bussemakers, Eddie Denessen, Gerbert Kraaykamp, Jochem Tolsma

Adverse family experiences, support at school and children's behavioural problems

Héctor Cebolla, Tatiana Eremenko, Leire Salazar, Marta Seiz

Unemployment levels and birth outcomes in Spain: The protective role of maternal education

Ryan Alberto Gibbons, Richard Layte

Why do working class students have worse behaviour? Financial strain and child behavioural difficulties during the Great Recession in Ireland

Session 2.4

Ethnic inequality at the labour market

Jacobo Muñoz-Comet, Fernando Fernández Monge

Unemployment and occupational attainment across Spanish municipalities. Does city size affect the migrant-native inequality?

Frances McGinnity, Ivan Privalko, Shannen Enright, Helen Russel

The COVID-19 labour market shock in Ireland: Were migrants disproportionately affected?

Stefano Cantalini, Nazareno Panichella

Does the choice to emigrate give employment benefits? A quasi-experimental approach applied to Poles and Romanians in Italy and UK

Edvard N. Larsen, Aleksander Å. Madsen, Are S. Hermansen

Leaving or staying? Workplace minority presence and employee turnover

Session 2.5

Aspirations and education

Juliane Pehla

Different yet the same? Parental occupation and its impact on adolescents' professional aspirations

Henriette Bering, Wiebke Schulz

Who benefits most from extracurricular activities? A sibling analysis of heterogenous social origin effects on adolescents' cognitive skills

Mijail Figueroa, Sabine van der Veer, Harry B. G. Ganzeboom

Do educational allowances reduce inequality of opportunities? Educational allowance regimes across Europe and access to higher education

Marieke Heers, Oliver Lipps

Immigrant parents' educational selectivity and their children's educational, professional and social mobility aspirations

Session 2.6

Wealth and poverty

Manuel Schechtl

Taking from the poor? Fiscal impoverishment in comparative perspective

Emanuela Struffolino, Zachary van Winkle

In-work poverty from a child's perspective in the United States and Germany: the Role Taxes and Transfers

Barbara Binder

Do minimum wages reduce income inequality? Estimating the impact of minimum wages on income inequality using unconditional quantile regressions in Germany and the USA

Jascha Dräger, Nora Müller & Klaus Pforr

Wealth 2-D – A New Approach to Explore Wealth Stratification

13.00-14.00 Lunch break

Meet the data session

Konrad Turek, Kene Henkens, Matthijs Kalmijn

Late-life employment trajectories in Seven Countries: Using comparative panel file for studying life courses

Lenore Sauer, Kamal Kassam, Elisabeth K. Kraus, Nikola Sander, Susanne Schührrer, Manuel Siegert, Anja Stichs

“Forced migration and transnational family arrangements – Eritrean and Syrian Refugees in Germany (TransFAR)” – The aim, scope and design of a new quantitative survey

14:00-16.00

Session 3.1

Assortative mating and partnership formation

Henglong Luo

Educational assortative mating, labor division, and capital transfer: Evidence from China

Renáta Topinková, Tomáš Diviák

It takes two to tango: Analyzing homophily on desirability in an online dating market

Dana Hamplová, Alena Bičáková

Field of study and living arrangements among college-educated women in Europe

Mauricio Bucca, Lucas G. Drouhot

Once in a blue moon: barriers to intermarriage among second-generation Muslims in France

Anna Erika Hägglund, Anna Rotkirch, Anneli Miettinen

Why do older people fall in love? Social dynamics in partnership transitions in later life in Finland

Session 3.2

Gender segregation in education and occupation

Frida Rudolphi, Margarita Chudnovskaya, Carina Mood

The stubborn refusal of gendered selves: Educational choices of sons and daughters of immigrants in Sweden

Xiaojie Xu

Lack of Ability or lack of intrinsic motivation? Explaining gender gap in science and engineering occupational expectations: a cross-national study

Antje Stefani, Ralf Minor, Kathrin Leuze, Susanne Strauß

Is there really such a thing as a “leaky STEM pipeline”? Evidence from Germany

Maik Hamjediers

The causal effect of exposure to female-dominated occupations on men's occupational choices:
Evidence from the suspension of the civilian service in Germany

Kasimir Dederichs

Gender segregation in voluntary organizations

Session 3.3

Attitudes towards immigrants and discrimination

Ognjen Obućina

Attitudes towards non-European immigration among intra-European immigrants

Laura Silva, Franco Bonomi Bezzo, Katharina Schmid, James Laurence

Changing neighbourhood, changing attitudes? The role of neighbourhood diversity on the development of attitudes towards immigration, inquiring into personality differences

Christian Czymara, Stephan Dochow, Lucas Drouhot, Müge Simsek, Christoph Spörlein

Catalyst of hate? Ethnic insulting on YouTube in the aftermath of terror attacks in France, Germany, and the United Kingdom 2014-17

Minna Tuominen, Elina Kilpi-Jakonen, Hannamaria Kuusio

How is migration background associated with the development of social networks? A closer look into the social network characteristics of foreign-born populations

Lidwina Gundacker, Yuliya Kosyakova, Gerald Schneider

Global norms, regional practices: Taste-based vs. statistical discrimination in German asylum decision making

Session 3.4

Perspectives on the Radical Right

Svenja Hense

Missing women: The importance of skewed gender ratios for far-right populist voting

Marcel Lubbers, Anouk Smeekes

Domain dependent national pride and support for the radical right

Francesco Marolla

Do right-wing populist parties attract only the upset? Preliminary results from a comparative analysis of European Social Survey modules on personal and social well-being

Miloslav Bahna, Jozef Zagraban

From compliance to ignorance in the first year of the pandemic: The dynamics of the views of the far right

Damla Keşkekci

How transnational or transnational how? Far-right politics in Europe (2017 - 2021)

Session 3.5

Social networks

Marlou Ramaekers, Ellen Verbakel, Gerbert Kraaykamp

Changes in informal helping during the first lockdown of the corona crisis in the Netherlands

Eszter Vit, Federico Bianchi, Marco Castellani, Károly Takács

Do friends aspire? Peer influence and selection effects for academic achievement and aspirations

Martin Arvidsson, Peter Hedström, Marc Keuschnigg

Social influence and the emergence of the unexpected: How novel music spreads on Spotify

Sebastian Koos, Ariane Bertogg

Local solidarity during the COVID-19 crisis and its long-term effects on social Capital. Who has benefited?

David Kretschmer, Lars Leszczensky

Strong ties, strong homophily? Variation in uni- and multidimensional homophily on socio-demographic characteristics by relationship strength

Session 3.6

Family and occupations

Ariane Bertogg

Supporting children with money or time? Social inequality, welfare policies, and downward intergenerational transfers

Melissa Bohnert and Pablo Gracia

Digital inequalities, social background and children's well-being in Ireland: A longitudinal study

Gabriele Ballarino, Stefano Cantalini, Nazareno Panichella

Social origin and female occupational careers. The role of parenthood in shaping social inequality among Italian women

Sofia Jaime, Harry BG Ganzeboom

Measuring the occupational stratification of Argentina: Testing the Treiman constant

Elyesa Koytak

What happens when the occupational closure ends? Turkish legal profession in turmoil

16.15-17.45

Session 4.1

Education and family context

Gaia Ghirardi, Tina Baier, Moris Triventi, Corinna Kleinert

Is early formal childcare a potential equalizer? How attending childcare and education centers affects children's cognitive and socio-emotional skills in Germany

Mengxuan Li, Yekaterina Chzhen

Poverty dynamics and child well-being: Evidence from the "Growing Up in Ireland" study

Kevin Schönholzer, Kaspar Burger

Welfare state policy and educational inequality

Kristina Lindemann

Educational outcomes of youth from single-mother families: The role of institutional contexts across European countries

Session 4.2

Parenthood, work and caregiving

Anna Zamberlan, Paolo Barbieri

A 'potential fertility' penalty? A longitudinal investigation of employment and wage disparities in Britain and Germany

Ellen Verbakel, Mark Visser, Klara Raiber

Life course trajectories of informal caregiving in the Netherlands

Fei Bian, Luana Marx, Leen Vandecasteele

Heterogeneous effects of childbirth on the couple's division of paid workhours: The role of pre-birth breadwinner status, family policy and cultural context

Rachel Ganly

Both children and work? Labour market conditions, long work hours and birth transitions in South Korea

Session 4.3

Neighborhoods, social capital, and health inequalities

Carlotta Piazzoni

Neighbourhood effects on physical and mental health: Evidence from Italy

Hans-Peter Y. Qvist, Jeevitha Y. Qvist, Dingeman Wiertz

Social capital and antidepressant use: Is there a protective effect?

Christian Koenig

Neighborhood structure and industrial pollution exposure in Germany

Louis Chauvel, Lindsay Flynn, Anne Hartung, Anja Leist, Emily Murphy

Wealth is health: An international comparison of intergenerational homeownership and self-assessed health status

Session 4.4

Labor market entry

Anika Bela, Daniel Bela

Vocational educational training success: What role do individual skills play?

Monika Mühlböck, Johanna Gereke, Pauline Kleinschlömer

Need a little help from your family and friends? The role of informal job search methods in the transition from unemployment to work for young adults with and without migration background in Austria

Veronika J Knize, Markus Wolf, Cordula Zabel

Young adults' employment quality after active labor market programs

Tamira Sno, Harry BG Ganzeboom

Status attainment and social mobility at entry into the labour market, Suriname 1970-2010

Session 4.5

Timing of migration and immigrant generations

JooHee Han, Are Skeie Hermansen

What's driving inequalities in pay across immigrant generations? Evidence on within-job wage gaps and occupational-workplace sorting in the Norwegian labor market

Giorgio Piccitto, Maurizio Avola, Nazareno Panichella

International migrations, class achievement and social origin in Europe

José David López Blanco

Internal and international migration in the land of free movement: Reassessing the role of human and social capital in the post-recession Spain

Jonas Wiedner, Merlin Schaeffer, Sarah Carol

Refugees' re-settlement patterns after immigration. Is there a mobility trap?

Session 4.6

The Political Sociology of State Power

Matthias vom Hau and Guillem Amatller Domine

State power and the relationship between ethnic diversity and public goods provision

Ozan Aksoy

Preaching to the social media: Turkey's friday Khutbas and their effects on Twitter

Didem Türkoğlu

As tuition rises: Opposition to the neoliberalization of higher education

Olena Bedasheva

Duration of dictatorship regime and voluntary association membership in comparative perspective

October 8

9.00-11.00

Session 5.1

Inequality in educational opportunity

Emily Murphy, Louis Chauvel

Unequal Talk: Universal social class differences in parent-child dialogue and children's educational achievement

Michael Grätz

Does more schooling lead to less or more inequality of educational opportunity? Evidence from a natural experiment

Alberto Palacios-Abad, Jonas Radl

Effort and dynamics of educational inequality: Evidence from a laboratory study among primary school children

Lotta Lintunen, Ilari Ilmakunnas, Johanna Kallio

Secondary school choices as the turning point: Testing the thesis of effectively maintained inequality in Finland

Francesca Mele, Kaspar Burger

Agency in secondary school transitions in Switzerland: to what extent can children pursue their own path?

Session 5.2

Fertility

Hilde Orderud, Juho Härkönen

Effects of the Haiti 2010 earthquake on fertility

Alina Pelikh, Alice Goisis, Hanna Remes, Niina Metsä-Simola

Partnership trajectories into Medically Assisted Reproduction

Daniël van Wijk, Helga A. G. de Valk, Aart C. Liefbroer

Why do jobless children of migrants more often have children than jobless non-migrants? On the importance of limited opportunities and the normalization of disadvantage

Kseniia Gatskova, Tatiana Karabchuk, Hermann Düllmer

Fertility attitudes of highly educated youth: A factorial survey

Sergi Vidal, Danilo Bolano

Partnership trajectories and women's reproductive outcomes in Spain

Session 5.3

Gender wage gap

Wiebke Schulz, Gundula Zoch

Do highly educated women experience the largest motherhood penalty?

Britta Gauly, Caroline Neuber-Pohl

Selection into occupations, gender segregation, and the gender wage gap in Germany

Matthias Collischon, Kamila Cygan-Rehm, Regina T. Riphahn

Long-run effects of wage subsidies on maternal labor market outcomes

Carla Rowold, Emanuela Struffolino, Anna Hammerschmid, Anette Fasang

Life-course-sensitive analysis of group inequalities in old age: Combining Multichannel Sequence Analysis with the Kitagawa-Oaxaca-Blinder decomposition

Marie Evertsson, Ylva Moberg, Maaïke van der Vleuten

A family-friendly transition to parenthood? Social transfers and earnings development in different-sex and female same-sex couples in Denmark, Finland, Norway, and Sweden

Session 5.4

Networks and neighbourhoods

Simone Cremaschi

Residential clustering among homeless Immigrants: Evidence from Italy's shantytowns

Michaela Šedovič

Local hostility effect on immigrants' wellbeing: Does population composition in neighbourhood and neighbourhood contact matter?

Egle Gusciute

Detection of ethnic discrimination through field experiments: Evidence from Ireland

Sarah Valdez, Guilherme Kenjy Chihaya Da Silva

Immigrant Integration into the Swedish Housing Market

Christian Czymara

All cops are trusted? How context and time shape immigrants' trust in the police

Session 5.5

Experiments in Political Sociology

Per Andersson, Martina Testori, Sergio Lo Iacono

Inequality, egalitarian motives, and collective action: an experimental study

Bariş Ari, Burak Sonmez

Human rights violations and public support for sanctions

Angelica M. Maineri

Public acceptance of a COVID-19 Health Pass: evidence from a vignette study in the Netherlands

Tim Bartley, Matthew Amengual, Sebastian Koos

Perceptions of responsibility and regulation in global industries: Evidence from a survey experiment in Germany

Jonathan J.B. Mijs, Willem de Koster, Jeroen van der Waal

Providing facts about COVID-19-induced inequalities can close the partisan divide: Lessons from a survey experiment in the least likely case of the US

Session 5.6

Mobility and intersectionality

Babs Jacobs, Rolf van der Velden

Intergenerational transmission of education: Unraveling the roles of human capital, cultural capital and financial capital

Gosta Esping- Andersen, Daniela Bellani

Intergenerational mobility and exchanges in marriage market. Do ut des?

Max Thaning

Revisiting the universality hypothesis of social mobility: Scarce support for quantitative intersectionality as interactions

Florian Hertel

Intersecting inequalities? Stratification by class, race and gender in Europe

11.15-12.45

Session 6.1

Ethnic inequality in education system

Jörg Dollmann, Jan O. Jonsson, Carina Mood, Frida Rudolphi

Ethnic choice effects in Sweden's open school system: Optimism trap or structural integration?

Sandra Buchholz, Hanna Mentges, Frauke Peter, Svetlana Sudheimer

Explaining migration-specific social origin effects at the transition to higher education: Lessons learned from an informational intervention

Alessandro Ferrara

Aiming too high or scoring too low? Heterogeneous immigrant-native gaps in upper secondary enrolment and outcomes beyond the transition in France

Ahmad Badran, Meir Yaish

Ethnicity or social class - what explains primary school choice among Israeli Arab parents?

Session 6.2

Family dissolution and family complexity

Davide Gritti, Stefani Scherer

Family complexity and wealth holding in later life: individual consequences and cohort differences in Europe

Zachary Van Winkle, Tina Baier

The role of parental divorce and death for children's chances to realize their genetic potential for education across 1920-1980 US birth cohorts

Alessandro Di Nallo, Daniel Oesch

The intergenerational transmission of family dissolution – and how it varies by social origin and birth cohort

Valentina Tocchioni, Daniele Vignoli, Eleonora Meli, Bruno Arpino

Childbearing and union dissolution: Do children act as binding or destabilizing actors?

Session 6.3

Geography: Neighborhood and local inequality

Katy Morris, Felix Bühlmann, Nicolas Sommet and Leen Vandecasteele

The paradox of local inequality: Local contexts and meritocratic beliefs

Tobias Rüttenauer

Assimilation or gentrification? Neighbourhood attainment of immigrant minorities in England

Kerstin Ostermann, Martin Abraham

Local labor market opportunities and regional job mobility

Laura Fürsich

I'll move where you go: Social influence in residential choice

Session 6.4

Labor markets and job satisfaction/well-being

Carlotta Giustozzi

Beyond financial strain: Explaining the relationship of unemployment and civic participation through values and social identity

Stephan Bischof

Mismatched, but not aware of it? How subjective and objective skill mismatch affect employee's job satisfaction

L. Iván Canzio

Involuntary temporary workers in Europe: an analysis of the institutional determinants of their job satisfaction

Andreas Eberl, Matthias Collischon, Tobias Wolbring

Subjective well-being scarring through unemployment: New methods, new results?

Session 6.5

Minorities' economic integration

Alisa C. Lewin

Affluence, homeownership, and poverty among working-age Immigrants: The case of Israel

A. S. Hermansen, A. Penner, M. Elvira, O. Godechot, M. Hällsten, L. Henriksen, F. Hou, Z. Lippényi, S. M. Melzer, T. Petersen, H. Sabanci, M. Safi, D. Tomaskovic-Devey

Within-job pay inequality and labor market sorting by immigrant generation in Europe and America

María Sánchez-Domínguez, Luis Abenza

The double penalty: female migrants and family's responsibilities in Europe

Agnieszka Kanas, Yuliya Kosyakova

Do regions matter? The local supply of language courses and refugees' labor market integration

Session 6.6

Mobility and self-employment

Michiel van Rijn, Joerg Raab, Femke Roosma, Peter Achterberg

Employment stratification and preferences for self-employment: For whom does the welfare state invoke a desire for self-employment?

Jani Erola, Tina Baier, Hannu Lehti

Genes and equality of opportunity in an egalitarian context

Diana Galos

Social media and hiring: An online survey and field experiment on discrimination based social class

Alexi Gugushvili

Informing individuals about equality of opportunity affects their perceived social mobility experience: evidence from a population-wide randomized survey experiment

12.45-14.00 Lunch break

Council Meeting

14.00-16.00

Session 7.1

Family, health, and personality

Cadhla McDonnell and Pablo Gracia

Family structure dynamics and mothers' mental health: Longitudinal evidence from Ireland

Simone Schüller, Hannah S. Steinberg

Parents under stress – Evaluating emergency childcare policies during the first COVID-19 lockdown in Germany

Sandrine Metzger and Pablo Gracia

Gender inequalities in well-being and mental health across parenthood transitions: Longitudinal evidence from the United Kingdom

Jonas Detemple, Tina Baier, Anika Schenck-Fontaine

What is the impact of concerted cultivation? Comparing parental and educator's assessment with children's skill level

Lea Katharina Kröger, Jonas Radl

The role of parenting in the formation of personality within families

Session 7.2

Gender division of labour

Marie-Fleur Philipp, Silke Büchau, Pia S. Schober, C. Katharina Spieß

The effects of information about parental leave on normative judgements of the division of leave and gender ideologies

Jeanne Ganault

Gender differences in temporal autonomy: How free are men and women to organize their work time?

Tomás Cano, Heather Hofmeister

The role of father behaviors on child gender-role attitudes

Iñaki Úcar, Margarita Torre, Antonio Elías

Mind the gender gap: COVID-19 lockdown effects on gender differences in research

Ian Burn, Emma von Essen, Ylva Moberg, Lucas Tilley

The economic and health outcomes of the transgender population that received care in Sweden:
Evidence from register data

Session 7.3

Labor markets and income inequalities

Lucas Sage

Explaining between and within demographic group wage differences. On the role of occupational and organizational sorting

Joey Tang, Isabella Grabner, Hans Schmeets

The causes of the gender wage gap in the Netherlands

Filippo Gioachin, Paolo Barbieri

Life course risks and the social stratification of economic inequalities between family and state: evidence from Germany and the UK

Efrat Herzberg-Druker

Changes in employment patterns and income inequality – A comparative perspective

Maik Hamjediers, Maximilian Sprengholz

Intersections and commonalities: Using matching to decompose wage gaps by gender and nativity in Germany

Session 7.4

Aspects of integration

Yassine Khoudja, Fenella Fleischmann

Recent immigrants' religious change in a secular context: Testing multiple explanations

Chaiim la Roi, Carina Mood

Attitudes in motion: Views on family, sexuality and gender roles among immigrant-background youth in Sweden

Yuliya Kosyakova, Marie-Christine Laible

Socio-emotional skills and refugees' language acquisition

Clemens Kroneberg, Hanno Kruse

Cultural baggage or peer processes? Understanding inter-ethnic differences in youth violence

Lior Yohanani

Foreign soldiers in the Israeli military: Why they come and do they stay?

Session 7.5

Europeans' Values and Attitudes

Clara Dilger

Measuring the cultural divide in Europe using classification approaches

Quita Muis, Tim Reeskens, Inge Sieben, Ruud Luijkx, Loek Halman

A cultural backlash in Europe? Evidence from the European Values Study 1990-2017

Bernhard Kittel, Akos Kopper, Pál Susánszky

Citizen protest attitudes in the Covid Crisis: A comparison of Hungary and Austria

Riccardo Ladini, Ferruccio Biolcati, Francesco Molteni, Andrea Pedrazzani, Cristiano Vezzi

The multifaceted relationship between individual religiosity and attitudes toward immigration: A comparative perspective with European Values Study 2017 data

Marvin Brinkmann

Patterns of attitude change toward government support for the unemployed. A longitudinal survey experiment

Session 7.6

Social stratification

David Reimer, Astrid S. Olsen, Bent Sortkær, Rie Thomsen

Numbers and narratives: The effect of a hybrid information and video intervention with the goal to reduce inequalities at the transition to university in Denmark

Giovanni Abbiati, Fabrizio Bernardi, Moris Triventi

Wait or hurry? The effects of the early school enrolment on the school outcomes of Italian students

Joan Madia, Patrick Praeg, Christiaan Monden

Does children's education improve parental longevity? Evidence from two educational reforms in England

Eleonora Vlach, Markus Gangl

A chip off the old block? Structural integration and social mobility of immigrants and their descendants in Germany

Paolo Velásquez

Is education's so-called liberalizing effect also evident among ethnic minority groups? An analysis of inter-ethnic attitudes in the Netherlands

16.15-17.45

Session 8.1

School context

Deni Mazrekaj, Christiaan Monden

Do children perform better in religious schools? Evidence from population data

Markus Klein and Edward Sosu

Family background and academic achievement: The mediating role of school absenteeism

Said Hassan

Better teachers, smarter kids?

Irene Prix, Outi Sirniö, Juhani Saari

Better close to home? Geographical and socioeconomic constraints on gendered educational transitions at the upper secondary level in Finland

Session 8.2

Workplace policies and gender inequalities

Anne-Kathrin Kronberg, Anna Gerlach

The road to equity: How do workplace policies affect gendered wage trajectories?

Eileen Peters

What you want is not always what you get: Gender differences in met further training expectations by employers to work from home in times of COVID-19

Anne Lambert, Delphine Remillon, Mariona Segu

To leave or not to leave? Gender disparities in the impacts of corporate restructuring

Carly van Mensvoort, Donald Tomaskovic-Devey, Tanja van der Lippe

The work climate across organizations in the European labor market: do female managers have less overly demanding work expectations of employees

Session 8.3

Health behaviors and social inequalities in biomarkers

Lindsay Richards, Asri Maharani, Patrick Praeg

Subjective socioeconomic status and health. A longitudinal biomarker perspective

Filippo Oncinin, Malte B. Roedl, Moris Triventi, Alan Warde

Those aversions that hold us together: An application of Self-Organizing Maps to study food and drink avoidances in Italy from 2003 to 2016

Alessandro Procopio, Robin Samuel

Social conditions under the skin: Socioeconomic status, C-reactive protein and health inequalities in Bayesian perspective

Anne van der Put, Lea Ellwardt

Colleagues affect healthy eating and exercise behaviour

Session 8.4

Employers and firms

William Foley, Klarita Gërxhani, Arnout van de Rijt

Statistical or status? Disentangling statistical discrimination and status theory in the case of gender and social class

Paula Protsch

Challenging recruitment contexts – Why are some employers more successful than others?

Aljoscha Jacobi

The effects of changing industrial relations on the provision of time-use policies at the firm-level

Daniel Auer

Firing discrimination: selective labor-market responses of firms during the COVID-19 economic crisis

Session 8.5

Immigrants' health, subjective well-being, life satisfaction

Claudia Brunori

An immigrants' paradox in mental health? A life-course perspective

Brienna Perelli-Harris, Jane Zavisca, Nataliia Levchuk, Theodore Gerber

What explains low life satisfaction among Internally Displaced Persons in Ukraine: current deprivation, loss of status, or exposure to violence?

Yan Zhang

Migrant fathers and left-behind fathers: Links between father presence and children's psychological well-being in Chinese migrant families

Johanna Gereke, Joshua Hellyer, Nan Zhang

Do trigger events trigger stress? Hate crime victimization and stress after Charlottesville

Session 8.6

Social and Political Trust

Markus Gangl, Carlotta Giustozzi, Svenja Hense and Simon Bienstman

The contingent macroeconomics of social trust: When and where does rising inequality threaten social cohesion?

Simon Bienstman

Social cohesion, status anxiety, or economic interests - what explains the effect of income inequality on trust in institutions?

Anja Gvozdanović

Formation of youth's political trust in Southeast Europe: a cross-national analysis

Camille Landesvatter, Paul C. Bauer

Measuring trust in surveys: Cross-situational trust as a successor to generalized trust
